

# Product Information Sheet

COMMISSION DELEGATED REGULATION (EU) 2023/2534 with regard to energy labelling of household tumble dryers

**Supplier's name or trademark:** Samsung

**Supplier's address:** Public Contact, Samsung PO Box 12987 Blackrock Co.Dublin Ireland

**Model identifier:** DV90CGC0A0AB

**Technology of tumble dryer** Electric condenser

## General product parameters:

| Parameter                                                                                                                                                                                                                    | Value          |      | Parameter                                     | Value         |    |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------|------|-----------------------------------------------|---------------|----|
| Rated capacity (kg)                                                                                                                                                                                                          | 9,0            |      | Dimensions in cm                              | Height        | 85 |
|                                                                                                                                                                                                                              |                |      |                                               | Width         | 60 |
|                                                                                                                                                                                                                              |                |      |                                               | Depth         | 60 |
| Energy Efficiency Index (EEI)                                                                                                                                                                                                | 74,5           |      | Energy efficiency class                       | E             |    |
| Condensation efficiency (%) (if applicable)                                                                                                                                                                                  | 86             |      | Condensation efficiency class (if applicable) | C             |    |
| Weighted energy consumption in kWh per drying cycle. Actual energy consumption will depend on how the appliance is used.                                                                                                     | 1,37           |      |                                               |               |    |
| Programme duration (hours:minutes)                                                                                                                                                                                           | Rated capacity | 3:30 | Type                                          | Free-standing |    |
|                                                                                                                                                                                                                              | Half           | 2:25 |                                               |               |    |
| Acoustic airborne noise emission (dB(A) re 1 pW)                                                                                                                                                                             | 64             |      | Acoustic airborne noise emission class        | B             |    |
| Off-mode (if applicable) (W)                                                                                                                                                                                                 | 0,50           |      | Standby mode (if applicable) (W)              | -             |    |
| Delay start (W) (if applicable)                                                                                                                                                                                              | 4,00           |      | Networked standby (W) (if applicable)         | 2,00          |    |
| For household tumble dryers equipped with a heat pump, the chemical name or the accepted industry designation of the refrigerant gas used, without prejudice to Regulation (EU) No 517/2014 on fluorinated greenhouse gases. |                |      |                                               | R134a         |    |
| Weblink to information on spare parts availability for professional repairers and end users                                                                                                                                  |                |      |                                               | N/A           |    |
| Weblink to repair instructions for end-users                                                                                                                                                                                 |                |      |                                               | N/A           |    |
| Weblink to indicative pre-tax prices                                                                                                                                                                                         |                |      |                                               | N/A           |    |
| Minimum duration of the guarantee offered by the supplier                                                                                                                                                                    |                |      |                                               | 24            |    |
